

MOODY ON A BOAT

SUMMER 2020 | June 12th – July 24th

Embarking on a 90 foot schooner off the coast of Greece, students will study the Bible in its geographical context on the same waters that the apostle Paul sailed. Students will also learn basic nautical skills and will engage different cultures as they develop a global theology. Student may take two courses while abroad. The program also includes a voucher for one online course and one summer school.

For more information visit:
